

Form for nominations to the Executive Committee 2025/2026

Name: Amy Selby

Address:

Tel no:

E-mail:

MACP membership number: 15011

Brief biography, including any relevant experiences relevant to the role that you are interested in:

Nominating for MACP Secretary role.

Background: I currently work as an Advanced Practice Physiotherapist at Royal Devon University Hospitals Trust, having held Advance Practice and First Contact Physiotherapy roles since 2019, and working as a NHS Physiotherapist since 2006. I have been a full member of the MACP since 2021.

Working as an advanced practice clinician and previously as a MSK team lead has required upskilling in areas of leadership, governance and communication skills, education and networking, and organisational skills.

Communication: I have proven ability to build relationships across teams and regions, directly transferable to the secretarial role requiring sound communication. I aim to ensure the interests of all participants are considered and that decision-making processes are effective and balanced (Regional AP forums, Primary Care network meetings).

Leadership and governance: I am confident to discuss aspects of service evaluation and development, governance and evolving clinical practice, with experience in developing pathways locally, engaging multiple stakeholders, upholding national standards and frameworks (MSK AP framework RDUH, Primary Care network meetings).

Education and networking: I have experience of being involved in clinical and CPD webinars for physiotherapy and GP colleagues to support education and mentorship locally and regionally (GP training MSK pathway, South West AP Forums, Rheumatology CIG webinar).

Organisational skills: I am confident to manage projects and deliver structured reports and am skilled in documentation and presentation. I've had the opportunity to chair team meetings ensuring topics are relevant, objectives made clear, and actions documented. (Primary Care PROMS, Spine pathway outcome measures, Spinal Peninsula data collection and reporting).

Learning needs: I note the recent work completed by Vicky; my knowledge around company status is admittedly lacking, however I'm keen to upskill with committee support to ensure the MACP maintains the requirements needed to remain active with Company House.

Future: As an initial project, I am keen to implement a transcribing tool to support minute taking to facilitate the documentation of meetings, with the aim of streamlining this process.

Name of proposer: Gethin Lynch

Name of seconder: James Rodger
