

Form for nominations to the Executive Committee 2025/2026

Name: Kayathiri (Kay) Nadesan

Address:

Tel no:

E-mail:

MACP membership number: 15017

Brief biography, including any relevant experiences relevant to the role that you are interested in:

I am an NHS based Advanced Practice Musculoskeletal Upper Limb Physiotherapist. I have over 20 years of experience within the musculoskeletal speciality across primary care, secondary care and community services. Over the years this has involved the development of my musculoskeletal clinical and advance practice skills alongside Rheumatology and Orthopaedic consultant colleagues, and my Joint and soft tissue injection therapies. I have also had over 10 years' experience of building my operational and leadership responsibilities, alongside managing teams.

I have been an Affiliate member of the MACP and recently attained full membership following the completion of my Masters in Advanced Physiotherapy practice with the University of Hertfordshire. My professional interests includes the upper limb, patient centred care approaches, shared decision making, supporting education and professional development. My skills include organisational and analytical skills that allow me to think strategically but with a rather pragmatic approach. I also have experience in leadership and teamwork.

I hope the experience and skills that I have, will allow me to support the MACP in this executive committee treasurer role and actively support an organisation that is much respected and valued for what it thrives to achieve for the growth of the musculoskeletal physiotherapy profession. I hope to successfully fulfil the needs of this role alongside the mentoring and support of the wider executive committee team.

Name of proposer: Victoria Ryan

Name of seconder: Andrea Moulson
