

Criteria for evaluation of Standards Committee nominations

(March 2022)

Criteria will be evaluated at 2 stages in the selection process:

1. To shortlist nominees for interview by teleconference based upon their MOs nomination, CV and statement of interest
2. From discussion during interview

Essential criteria:

- Nomination documents focused to the Standards Committee role
- Quality of the CV reflecting the nominee's experience and skills that they would bring to the committee
- Evidence of commitment in similar previous roles
- Motivation for the role
- Evidence of their individual perspective of IFOMPT and postgraduate education that they would bring to the committee
- Ability and willingness to invest personal time to the role
- Confidence in written and verbal English
- Evidence of attention to detail through prior roles
