Brief biography, including any relevant experiences relevant to the role that you are interested in:

10 years qualified as a Physiotherapist. 6 years In MSK settings. Advanced Clinical Practice MSc completed 2 years ago at Teesside University. Currently orking In FCP role for GP practice as part of 2 man team, manging MSK conditions from first consultation, through workup and Investigation, exercise, education, onwards referral, Investigation, Injecting, prescribing and so on

Prior to Physiotherapy, I worked as a soccer coach. I continued this throughout my career to date and developed a keen Interest In teaching and learning, especially clinically and transferring this Into student education (both at undergrad and postgrad). Employed as an FA tutor developer which Is a salaried post solely to progress FA first aid tutors across the North East and Yorkshire. The aim being to Improve engagement, teaching and assessment

As mentioned In discussion with Nicola, I'm keen to appreciate research and It's execution more thoroughly In clinical settings. This would be less of strength but definitely an interest!
