Brief biography, including any relevant experiences relevant to the role that you are interested in:

I have been on the MACP Executive Committee for 4 years, in the role of Professional Development Lead for 3 years and prior to that 1 year shadowing the role. In this time and working with the PDC subcommittee we have increased the breadth of courses and as a result the income generated. I would like to continue a further 2 years to further broaden the range of courses in the portfolio and to also work in the 2nd year on succession planning of the role.

I work as a Clinical Lead of an MSK Specialist & Physiotherapy Services in Cambridge Community Services (Dynamic Health). I also work on a consultancy basis doing Clinical Governance for a private company. I have been a member of the MACP for nearly 20 years and qualified since 1984. I have been involved in post graduate teaching for many years, including visiting lecturer at Coventry and Sheffield Universities. I have taken over 50 MACP students on placements from 2000 until 2012.
